Patients now have the ability to update their preferred name on MyUHS. Here are the steps to submit your preferred name.

1. Access MyUHS, enter DoB and click Proceed.

2. Click "Messages"

3. Click "New Message"
Select "I would like to update my preferred name" and click "Continue"

Complete the form. When finished, click "Send"
6. You should receive a message indicating that your message was sent. Click "Proceed" to return to the Secure Messages Inbox.

7. That's it! In a few days you should receive confirmation that your preferred name has been updated.

    If you have any questions or issues, please send an email to the MyUHS administrators at uhsonline@sa.psu.edu.
