ART CAMP INFO

CHOOSE YOUR ARTISTIC ADVENTURE!
The Center for Arts & Crafts (CFAC) welcomes you to another summer filled with creative and innovative camps generated by our talented staff of Penn State student instructors! To offer another memorable summer, the CFAC staff has created new ideas and themes to broaden artistic horizons and stretch imaginations to faraway places. By attending art camps, your child will learn to develop their creative self expression, develop problem solving skills, gain an appreciation of art and have the opportunity to share their creative thoughts and ideas with others.

Camps are for children entering grades 1st through 9th. Please note that the grade group of the camp is listed after the camp title. Camp activities are planned for specific developmental levels. Children must have completed kindergarten to attend.

THINGS TO REMEMBER
• Drop-off and Pick-up: Children should be escorted to and from Ritenour Building each day to check in and out of camp. One parking permit per family will be issued the first day of each session of camp to be used in the Eisenhower Parking Deck only for pick-up and drop-off.
• No early drop-offs or tardy pick-ups, please.
• Each child must have appropriate permission slips and health forms completed. These forms are included with the registration process.
• Half day campers remember to pack a few snacks and a drink. Full day campers remember to pack snacks, drinks, and lunch! Lunch is supervised. Children are primarily responsible for keeping track of their lunch boxes!
• Children should wear play clothes so they can get “artsy”, or bring an oversized t-shirt or smock.

ART CAMP EXHIBITS
• Each camp session holds an art exhibit the last Friday of the session in the Noontime Concert Lounge on the 1st floor of the HUB. This is a showcase for the instructors and children to display their art work for family and friends.
