Cracked, Not Broken
The Kevin Hines Story

Living Mentally Well

Thursday, April 14th, 6:30pm
Galen and Nancy Dreibelbis Auditorium, Mount Nittany Medical Center

Kevin Hines is a mental health advocate, award-winning global speaker, bestselling author and documentary filmmaker. He writes about his story of an unlikely survivor and his strong will to live. Two years after he was diagnosed with bipolar disorder (15 years of age), he attempted to take his life by jumping from the Golden Gate Bridge. The fall would break his back, but not his spirit. Come out to hear Kevin’s story, a remarkable testament to strength of the human spirit and a reminder for us to love the life we have.
