Stephanie Gush enjoys working with Penn State students to develop and promote art programs for all ages! She began her career with the CFAC as an instructor for youth art camps and after school art classes and continues to find excitement in creating opportunities for exploration and expression through art. She freelances in graphic design and illustration, paints, enjoys hiking, and volunteers in the administration of community art events. She has experience teaching printmaking, bookmaking, and drawing/painting to children and adults. She is a graduate of Penn State with a degree in Art, with an emphasis in printmaking.

Administrative Support Assistant

Mandi Gatto is a Penn State graduate with a bachelor of arts degree in Integrative Arts, with a focus in drawing and painting. She joined the CFAC in 2006. She teaches a variety of craft workshops to adults through the CFAC, and is also the Administrative Support Assistant, creating ads, maintaining email lists, and helping PSU students, staff and faculty sign up for art classes. She enjoys spending time with her family and doing anything crafty, such as scrapbooking and drawing.

Lelaina Scott is a third year Integrative Arts major at Penn State, with a focus in visual arts and music studies. She enjoys exploring multiple forms and expressions of art but found a favorite in acrylic painting. She hopes to help students with their experience in painting, finding their individual expression and to simply enjoy the act of creative expression. Lelaina is honored and excited to be able to share her passion for acrylic painting!
