Penn State University Health Services – Travel Clinic Information

Travel Information Resources:

We are relying on you to read specific information about your destination and steps to take to remain healthy while you travel. Please review the websites below to become familiar with your destination, traveler's health topics, and additional information for your return home. The CDC's *Health Information for International Travel* ("Yellow Book") is a valuable resource on health information for the international traveler and can be viewed online https://wwwnc.cdc.gov/travel/page/yellowbook-home.

Those scheduled to travel are encouraged to use the Global Safety - Penn State Travel Safety Network: https://gsn.psu.edu/login

Prior to Your Travel Appointment at UHS:

- 1. Complete the Pre-Travel Health Consultation and History Form.
- 2. Obtain a copy of your immunization records from birth to present, including any blood/titer tests -PSU Student may have submitted their immunization history to UHS at the time at admittance.

Students can log into MyUHS and verify that UHS has their immunization records at:

http://www.studentaffairs.psu.edu/health/myUHS/login.shtml

For information on locating your immunization/vaccine records go to:

https://www.cdc.gov/vaccines/adults/vaccination-records.html

3. Fax or drop off your completed form and immunization records not already on file with UHS. Upon receipt, your travel appointment will be scheduled.

Day of Your Appointment:

- 1. Please arrive 15 minutes prior to your scheduled appointment time and check in with a receptionist. Your appointment may take up to 60 minutes, and you will be required to wait 15 minutes after vaccinations are administered.
- 2. Please be sure that you have had something to <u>eat and drink prior to your appointment</u>.
- 3. For female patients: If your menstrual period is delayed, you may be asked to provide a urine sample for pregnancy screening prior to the administration or prescribing of any needed vaccines/medication.

The Travel Clinic utilizes TRAVAX, a computer software program which is updated weekly with information from the CDC, ACIP, AAP, and WHO, as well as ongoing global surveillance and published literature.

^{**}Promptly notify the UHS Travel Clinic of any changes or additions in your medical history or trip itinerary by fax at 814-86-2584, "Attention Travel Clinic", or by calling University Health Services at 814-865-4847, option 3.
